

# BENEFITS OF RPM

## for CHF and Cardiac Rehab Patients

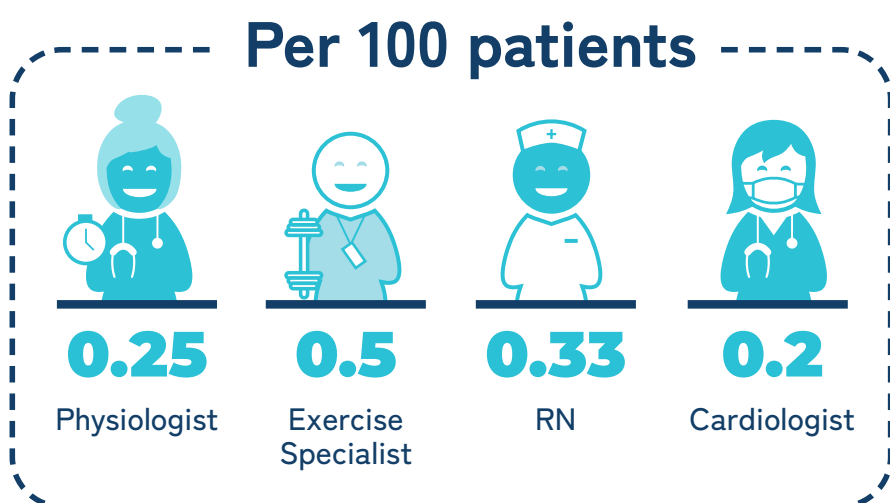

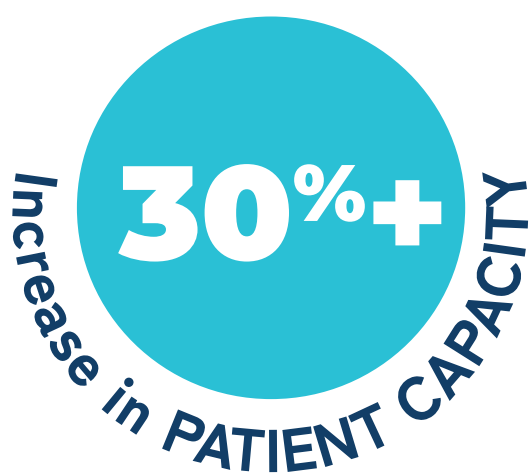

Improve Outcomes by Increasing Patient Engagement and Program Adherence

The Datos Health platform has been implemented with great success at Sheba Medical Center, the largest medical center in the Middle East.

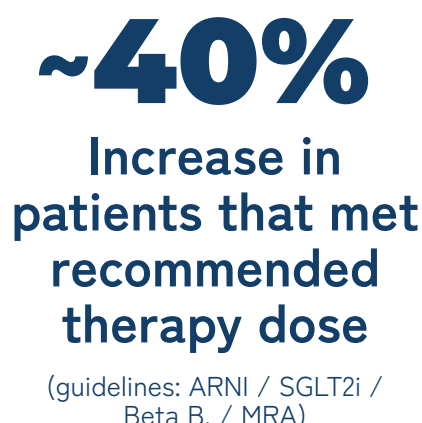

Greater insights into patients' health = Improved quality outcomes

### INCREASED CARE TEAM CAPACITY

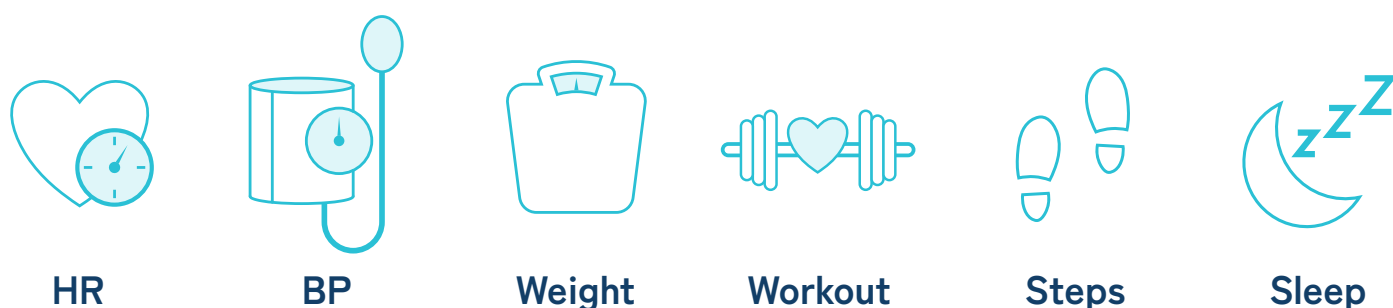

### IMPROVED PROGRAM ADHERENCE

**BYOD** (Variety of devices and fitness trackers)

Vitals Measured

Validated Surveys & Questionnaires

**ePRO | PHQ9 | PROMIS10 | Borg**

Post-ACS — Heart failure — Post-Cardiac Surgery
